**English Second Exam (Second Semester)**

**Question number one : Read the text then answer the questions:( 5 marks )**

*If you could travel back in time, what would you choose to do? I'd go to Ancient Jordan to see Petra when it was new. We learned about this in History last year and we wore costumes to school. I dressed as a Nabatean guard. I looked really cool! If you could become a character, what film or book would you choose? I'd like to become Sherlock Holmes, then I'd catch a thief or two! I'd live in London, years ago, and I would be the best. Sherlock always finds the thief! He's cleverer than the rest. If you could go into space, what would you do and why? I'd walk on the Moon, I'd look down at Earth and see how it looks from the sky. First Neil Armstrong, then Buzz Aldrin, stepped down to have a look. They walked around, left a flag and walked into history books! If you could travel the world one day, where would you choose to go? I'd go to the Arctic, I'd play in the ice, and I'd build a house in the snow. The sea ice is melting quickly, so I want to go while I can. I want to look after some polar bears and make a huge snowman!*
