Go through a tough time	يمر بوقت صعب	Mean a lot	يعني الكثير
Reach out	يتواصل يطلب المساعدة	Count on	يعتمد على
Go the extra mile	يبذل جهدا إضافيا	Develop a connection	يطور علاقة

IF WE KEPT IT, WE'D BE RICH

"If you drop it, you'll break my toe," groaned Asma. She glanced at her sister, Reem. They were standing at the top of the stairs with a large yellow sofa between them. "Stop complaining, Asma," Reem rolled her eyes. 1 (F) 'Mum said if we turn the sofa on its side, it will be so much easier to get through the door.'

A few minutes later, Asma and Reem put the sofa down against the wall of the living room. They sat down and started to laugh. "That wasn't so bad, was it?" grinned Asma. "Hang on, what's this thing here? It feels like there's something inside it!" said Reem. Asma and Reem unzipped the cushion and to their surprise, they found a black leather handbag. "What do you think is inside it?" whispered Asma, staring at the bag. Reem looked at her. "There's only one way to find out." Neither girl could believe their eyes when they spread the contents of the handbag on the table. 2 (E) They gazed in disbelief at what they had found. There was a purse and a collection of jewellery: three diamond rings, five pearl necklaces of different sizes, several pairs of earrings and some bracelets made of gold and silver. "This jewellery is beautiful, isn't it?" sighed Reem. "And look, there's 5,000 JD in here. Obviously, we'll have to give it back to the rightful owner." Asma shook her head. "If we don't know whose money it is," she said, "if we knew who it belonged to, we could give it back to them but we don't know!" She raised an eyebrow. "Anyway, why would an honest person put all this money and jewellery into a handbag inside a sofa?" 3 (A) 'Do you think it was stolen?' Mum bought the sofa from a good second-hand furniture place online. 4 (G) The telephone rang. Asma frowned and then shrugged her shoulders. "That's a good question, but we must try and find out." After talking about the situation with their mum, the next day, the girls took the handbag with the money and the jewellery to the police. It was cold outside and they shivered as they waited for the bus to return home. When they got back to their flat, they tried not to think about the handbag they had found inside their sofa. "I guess we'll never solve the mystery," said Asma. Three days later, Reem and Asma's mum opened the door. There was a TV crew there waiting to speak to the girls. 5 (H) Standing behind them was a young woman. "Asma and Reem Al-Abbad?" asked the reporter. "Yes," they both replied. There was a red light flashing as the cameraman filmed them. "This is Majeda Al-Farran," the reporter pulled the young woman forward. "It's about the handbag you found." Majeda explained that the handbag had belonged to her grandmother. "We didn't know Grandma had hidden all her money and jewellery inside the old sofa. We were going to throw it away, but luckily we decided to sell it." "My grandma wants to reward you for your honesty," said Majeda. She handed them an envelope with 100 JD for each of them. The two sisters hugged each other. "We should give it to someone who really needs it," Reem said. "I mean, it's not really ours, is it?".

لو احتفظنا به، لكننا أغنياء

إذا أسقطته، ستكسرين إصبع قدمي!" تأوّهت أسماء. نظرت إلى أختها ريم. كانتا تفتان أعلى الدرج وبينهما أريكة صفراء كبيرة" قالت أمي إننا إذا أدركنا الأريكة على جانبيها فسيكون من الأسهل بكثير إدخالها "توقفي عن التذمر يا أسماء"، قالت ريم وهي تدير عينيها". من الباب بعد بضع دقائق، وضعت أسماء وريم الأريكة بمحاذاة جدار غرفة الجلوس. جلسنا وبدأتا تضحكان ، لم يكن الأمر شيئاً إلى هذا الحد، أليس كذلك؟" قالت أسماء مبتسمة".

قامت أسماء وريم بفتح سحاب الوسادة، ولدهشتهم وجدتا حقيبة يد سوداء من الجلد برأيك، ماذا يوجد بداخلها؟" همست أسماء وهي تحديق في الحقيبة

نظرت ريم إليها وقالت : " هناك طريقة واحدة فقط لمعرفة ذلك"

لم تصدق أيّ من الفتاتين أعينهما عندما فرشتا محتويات الحقيبة على الطاولة. حدّقنا بدهشة فيما وجدنا. كان هناك محفظة ومجموعة من المجوهرات: ثلاث خواتم ألماس، وخمس قلائد لؤلؤ بأحجام مختلفة، وعدة أزواج من الأقراط، وبعض الأساور المصنوعة من الذهب والفضة هذه المجوهرات جميلة، أليس كذلك؟" قالت ريم متتهّدة

"وانظري، هناك 5000 دينار أردني هنا. من الواضح أننا سنعيدها إلى صاحبها الحقيقي"

"هزّت أسماء رأسها وقالت : إذا لم نكن نعرف لمن هذا المال... لو كنا نعرف صاحبه لأعدناه إليه، لكننا لا نعرف" رفعت حاجبها وأضافت:

"وعلى أي حال، لماذا يضع شخص صادق كل هذا المال والمجوهرات داخل حقيبة في أريكة؟"

"هل تعتقدن أنها مسروقة؟"

كانت أمي قد اشترت الأريكة من متجر جيد للأثاث المستعمل عبر الإنترنت

رنّ الهاتف. عقدت أسماء حاجبها ثم هزّت كتفيها

"هذا سؤال جيد، لكن علينا أن نحاول معرفة الحقيقة"

بعد الحديث عن الموضوع مع والدتهما، أخذت الفتاتان في اليوم التالي الحقيبة بما فيها من مال ومجوهرات إلى الشرطة. كان الجو بارداً في الخارج وارتجفتا وهما تنتظران الحافلة للعودة إلى المنزل. وعندما عادتا إلى شقتهم، حاولتا ألا تفكرا في الحقيبة التي وجدتاها داخل الأريكة أظن أننا لن نحل هذا اللغز أبداً"، قالت أسماء

بعد ثلاثة أيام، فتحت والدة ريم وأسماء الباب. كان هناك فريق تلفزيوني ينتظر للتحدث مع الفتاتين. وكانت تقف خلفهم شابة أسماء وريم العباد؟" سأل المراسل "نعم"، أجابتا معاً، بينما كان ضوء أحمر يومض والكاميرا تصورهما.

هذه مجيدة الفران"، قال المراسل وهو يقدم الشابة

"الأمر يتعلق بالحقيبة التي وجدتماها"

شرحت مجيدة أن الحقيبة كانت تعود لجدتها

"لم نكن نعلم أن الجدة أخفت كل مالها ومجوهراتها داخل الأريكة القديمة. كنا سنرميها، لكن لحسن الحظ قررنا بيعها"

جدتي تريد أن تكافنكما على أمانتكما"، قالت مجيدة، ثم سلّمتها ظرفاً يحتوي على 100 دينار أردني لكل واحدة منهما

تعانقت الأختان

يجب أن نعطيه لشخص يحتاجه حقاً"، قالت ريم

"أعني، هو ليس ملكنا في الأصل، أليس كذلك؟"

1. Who found the handbag inside the sofa?

.....

2. What did Asma and Reem find inside the handbag?

.....

3. How much money was in the handbag?

.....

4. Where did the girls take the handbag after talking to their mother?

.....

5. Who was the handbag's original owner?

.....

6. How did Majeda reward the girls for their honesty?

.....

7. Why did Asma question keeping the money and jewellery?

.....

8. From where did their mother buy the sofa?

.....

9. What did the girls think about the mystery at first?

.....

English – English Vocabulary

Word	E – meaning
Groaned	to make a deep sound because of pain, worry, or unhappiness.
Glanced	to look quickly at someone or something
Rolled her eyes	to move the eyes upwards to show annoyance or impatience
Cushion	a soft pillow used for sitting or resting on a sofa or chair
Leather handbag	a bag made from leather used to carry personal items
Whispered	to speak very quietly so that only someone near can hear
Gazed	to look steadily and intently at something.
Disbelief	a feeling of not being able to accept that something is true.
Sighed	– to let out a deep breath expressing sadness, relief, or tiredness
Raised an eyebrow	to lift one eyebrow to show surprise, doubt, or curiosity.
Second-hand	something that is not new, previously owned or used.
Frowned	to bring your eyebrows together to show worry, anger, or confusion
Shivered	to shake slightly because of cold or fear.
Cameraman	a person who operates a video or movie camera.
Reward	something given to someone in recognition of their good action.

Unit 6, Lesson 1A The first and second conditionals:

We use the first conditional to talk about situations that are possible or likely to happen .

Frist conditional	
The condition	The result
If + Present Simple	Will + infinitive
If the weather is nice tomorrow	We will go to the beach
If you come to the party	I will be very happy

The first Conditional if clause is about the future , but we always use the Present Simple , not will , after if :

If Suha has (NOT ~~will have~~) some free time , we'll go out together.

We use the second conditional to talk about unlikely or impossible situations in the present or future .

Second Conditional	
The condition	The result
If + Past Simple	Would + infinitive
If I won a lot of money	I'd help poor people
If your best friend was unhappy	What would you do ?

We sometimes use were instead of was after I \ he \ she \ it , especially in more formal or written English and to give advice :

If she **were** my daughter , I **'d buy** her a present .

Unit 6 , Lesson 4A The zero conditional and alternatives to it :

We use the zero conditional to talk about real situations that are always true .

Zero conditional	
The condition	The result
If + Present Simple	Present Simple
If you heat ice	It melts
What happens when you press this button?	

In all conditional sentences the if clause can come before or after the result clause. When the if clause is first , it is followed by a comma :

The grass **gets** wet if it **rains** . If it **rains** , the grass **gets** wet.

Alternatives to if

In zero conditional sentences we can use **when** instead of **if** with little or on change in meaning:

She always takes her book to the beach if \ when it's warm .

In zero conditional sentences we can also replace **if** with : **unless , as soon as ,as long as , provided that , until , before , after .**

* **Unless** is used instead of **if + not** . It means ' if the condition doesn't happen or isn't met':

You shouldn't mention this to anyone **unless** they are your close friends. (if they aren't your close friends).

***As soon as** is used for conditions that are definitely going to happen:

As soon as a child starts crying ,I begin to worry

***As long as** and **provided that** both mean ' if the condition is agreed or met'. we use them to stress the condition on which something happens:

As long as you trust me, you can tell me about it.

Provided that this is safe to eat, I can try it.

***Until , before and after** are used if something happens at a specific time :

I will wait **until** I have heard from you.

They want to get home **before** it gets dark.

Her mother will talk to her **after** she gets back from School.
